

**THE STATE OF LIMBO /
THE TEARGARDEN****2006****Sculptural installation
ABN AMRO
Paasheuvelweg,
Amsterdam, NL**

Outside of the ABN AMRO building Tee creates an environment with a sacramental atmosphere. A constellation of four *Teartotems* surrounds a sarcophagus covered with porcelain tiles, on a wooden table. Low red and blue benches complement this centrepiece object. Tee creates a resting place for the employees of the bank, a place to sit and contemplate.

As part of this project, Tee travelled to China, where she made the porcelain tiles and the eyeballs.
